COMPANY INFORMATION

ABOUT US:

IngredienTrade is an established fruit and vegetable ingredient producer and importer with more than 20 years of experience. With offices in the U.S., Vietnam, China, Indonesia and Spain together with its 50+ country network of fruit and vegetable ingredient producers, IngredienTrade delivers mainstream and exotic products to U.S. and European beverage companies, making us the preferred provider to leading brands, packers, formulators and flavor houses.

SERVICES & QUALITY:

IngredienTrade canvasses the globe for premium quality sources of Juices, Purees, Concentrates, Frozen Fruits and Vegetables, and Natural Powders and Aromas. We then consult on innovative technology, product offerings and certifications (HACCP, Kosher, Organic) – and help tailor products to the most sophisticated client specifications.

OWN PRODUCTION FACILITY:

IngredienTrade has established its own manufacturing facility, PT Fruit-ING, in East Java, Indonesia. This vertically integrated HACCP and Kosher facility employs qualified Food Technologists, Machinery and Agricultural Engineers that work to maintain the highest quality standards throughout the production.
